Indulge your guests with Monterrey™, an upscale amenity that lets you customize your own look by specifying contrasting fabric or piping. Reno® brings a welcome look of practicality by offering an optional tablet arm for those quick team meetings, casters for easy mobility, or the unique 2 1/2 seat sofa to fit every space. Reno®

Here's a sure bet for great-looking lounge seating. Reno combines contemporary smartness with inviting plushness, so your guests can kick back and feel right at home. The one-seat lounge is an odds-on favorite for flexibility. Add a tablet arm and you get unmatched comfort for document-related tasks, including those extended training sessions.

Or make it mobile with optional casters and easy-navigation handle, finished in classy satin nickel. Reno's unique 2 1/2 seat sofa requires less floor space while providing users with more personal space. And here's more good luck, you don't have to be a big spender. Reno proves that a modest ante can still take the jackpot.

It's durable enough to handle restless youngsters, yet elegant enough to welcome the gentlest of souls. Count on Pennant to make your guests feel at home.
